Memo to

Regarding the Catalina separates you want to advertise this week-- the Capri slacks really intrigued me - no placket! So out of curiosity I plunged in from the top. Nothing lever fit so well! Blue or lime... hmm. (The coordinated Batik print top does make an outfit that looks like a million) And the velour V-neck & mock turtle-neck... like wearing a cloud. So - there's the ad -- but you don't get the merchandise back.
Sincerely, your Advertising Dept.
P.S. - Next week, please bring clothes in the wrong size. (This job is costing me money.) Thank you.

PROCLAMATION BY SELECTMEN

In many areas of the United States today respect for constituted authority, law and order, and the principle of the supremacy of law, are being recklessly challenged.

The rights and freedoms which Americans accept as their birthright are made possible only by unswerving public acceptance of and obedience to the rule of law. In today's complex society there is a particular need for understanding on the part of every citizen that respect for law is vital to the preservation on indivdual liberties and a free and orderly society.

The Congress of the United States, and the President by official proclamation, have designated May 1 as Law Day USA. It is a day set aside for all Americans to reflect on our heritage of individual liberty under law and to focus attention on the responsibilities of citizenship. The theme for the observance this year carries a timely message for every American: "Respect the Law--It Respects You".

NOW, THEREFORE, WE, the Selectmen of Mattapoisett, do hereby proclaim Sunday, May 1, 1966, as Law Day USA in the Town of Mattapoisett and call upon all citizens, organizations, churches, and schools to recognize this special day with suitable programs.

Dated at the Town of Mattapoisett this fifth day of April, 1966.

up accomplishments of each girl's past combined with the biggest accomplishment of all, the actual entrance into and the preparation for the Pageant. The "Awards" are what each girl receives in the way of gifts, etc. for participation in the Pageant. The "Success" is of course the ultimate, the winning of the Miss Wareham crown.

To achieve this "Success", each girl must compete in three different phases on Pageant Night. The following is an insight as to how the winner is picked.

The first competition is the swimsuit. Each girl may receive from 1 to 5 points in this phase, and her stage presence and how she appears in a swimsuit is the basis for the judging. The second competition is the all important talent. From 1 to 10 points are given each girl in this category. The final scene is the evening gown

MATTAPOISETT BASEBALL NEWS

The Mattapoisett Center School field was overtaxed by approximately 130 boys, ages 8 to 12, for assignment to the Little League baseball teams. This total was swelled to 145 by the Pony League team's 15 candidates. Starting the ball rolling, so to speak, was Dr. Charles Hutchings and his 40 minor league charges, assisted by Mr. Wayne Bailey and Mr. Manuel Luiz. This event completed Friday's events, but Saturday was the big day, with the Mattapoisett Blue Team, under Coach Granville Trow, assisted by young Robert Jones, varsity athlete at Regional High, taking the field at 10 A.M. The Blue Team was followed by the Green Team and their 30 candidates under the tutelage of Mr. Paul Alves and Mr. Walter DuPont. The Greens were forced to share the facility with the 15 Pony Leaguers under the direction of Mr. Gary Mc Bride and Mr. Brad Barrows. Last but not least came the Mattapoisett Red Team's 30 boys, charges of Mr. Charles Crowley and Mr. James Wing. Frantic tryouts and practices will continue with opening day scheduled for May 15th at Rochester for the Little League and the same day at New Bedford Brooklawn Park for the Mattapoisett Ponies.

WELCOME TO THE THIRSTY WHALE

joy a morning full of interest centering about the early craftsmen and distinguished artists of bygone New Bedford days as presented by Mr. George Bowditch, director of the Whaling Museum of that city.

Included in the exhibits with which he illustrated the event was the actual hand painted door of a ship out of New Bedford in the mid-19th century, as well as representations of woodcarving and hand wrought tools, scrimshaw, and an example of Pairpoint glass, besides a hugh silver plated trophy of an early firebrigade, complete with miniature ladder and fireman's hat.

An honored guest was Mrs. A. E. Oldfield, president of the New Bedford Woman's Club, an earlier hostess to the Fine Arts Group. She was accompanied by Mrs. John M. Champion of the New Bedford Club. Also, from out of town were the Rev. and Mrs. Robert H. Larkin of Cortland, New York, house guests of the Fine Arts chairman, Miss Lydia LeBaron Walker.

Mrs. Todd, the hostess, who is also president of the Mattapoisett Historical Society, had for her pourer at the coffee hour preceding the talk, Mrs. Benjamin Brintnall, who served it in rare antique china cups.
